

VIII. Blue List

The following is a list of all Blue magic, the best monster to learn it from, and the location.

NOTE: Not all methods of learning these spells are listed, but rather the earliest location and best monster to learn them from. I did not list Oni (previously Dark Force) in Kefka's Tower, which uses every Blue magic spell on this list minus Force Field, Beam, and Quasar!

Blue Magic:	How Learned	Monster learned from
Stone	-Start with it-	-
Revenge	-Start with it-	-
Aqua Rake	Outside Thamasa:	Chimera
Vanish	Zozo: Gau's Rage:	Bandit, Sahagin, Cygnus
